Introduction

This report summarizes the headline results from the Secured Finance Network's Q2 2026 Asset-Based Lending (ABL) Survey.

SFNet members who participate in these surveys receive more detailed reports each quarter to help them understand industry trends and benchmark their organization's performance and metrics relative to the broader respondent base. If you are a member and are interested in participating, please contact Aydan Savaser at asavaser@SFNet.com. If you are not a member, please contact James Kravitz at jkravitz@SFNet.com to learn about the many benefits of membership.

The makeup and overall number of lenders providing data for this report changes from quarter to quarter. As such, the values presented in this report correspond only to lenders that responded in this most recent cycle, and previous quarter values shown in this report may differ from the previous quarters' reports. Please refer to the data footnotes on each slide for further clarification on the values being shown in corresponding charts.

Values throughout this report cover data for both bank and non-bank lenders and may vary significantly for either group. For a detailed breakdown of bank and non-bank metrics please consider participating in the quarterly survey.

If you have any questions about the data represented in this report or have suggestions about how the report can be improved in the future, please contact Andy Yewdell at Keybridge Research at ayewdell@keybridgedc.com.
