

## ABCC FAQs

*Q. How do I submit my vaccination status or PCR test result?*

A. SFNet requires all guests to COVID-clear to attend the 2022 Asset-Based Capital Conference. To facilitate this process, we have partnered with **VOW Digital Health**. Such arrangements have been implemented for your COVID-19 health and safety; thus, no exceptions will be made. To submit your vaccination status or PCR test results using VOW, click the [VOW Digital Health Event Link](#).

*Q. Will ABCC attendees have to show their vaccination cards at the conference site?*

A. In order to facilitate check-in and avoid having to stand in long lines, we ask ABCC attendees to upload their vaccination record or negative PCR test results to VOW Digital Health prior to the start of the conference.

*Q. Will SFNet require people to have received the third vaccine (booster)?*

A. We will require attendees to be “fully vaccinated,” as per the CDC’s definition on or before January 25, 2022. Visit [CDC.gov](#) for the most up-to-date information.

*Q. SFNet’s vaccine requirement for ABCC is based on CDC guidance. Where can I find the CDC’s rules?*

A. Visit [CDC.gov](#) for information and guidelines.

*Q. Are there resources at the Encore at Wynn to get a Covid test?*

A. The hotel is considering setting up an onsite testing facility and bringing it online this month. If not, they can direct you to one of the testing facilities nearby.

*Q. What is the policy of the Encore at Wynn and other hotels nearby in the event someone has symptoms or tests positive while at ABCC? Will they be allowed to continue to stay in the hotel?*

A. The hotel tells SFNet that they would refer a conference attendee to an affiliated hotel if the person is required to quarantine for an extended period since they cannot ensure accommodations.

*Q. For those traveling from abroad, is the Encore at Wynn asking for any kind of vaccination proof or negative test to register?*

A. Based on SFNet’s recent conversations with the Encore at Wynn, they are currently not requiring proof to gain entry to the hotel.

*Q. What is the Encore at Wynn policy regarding mask wearing?*

A. The Encore is enforcing a mask mandate, regardless of vaccination status, when in indoor public areas, unless actively eating or drinking.

*Q. Will there be options to view live streams of panels from hotel rooms as was the case at the SFNet Annual Convention?*

A. All live sessions will be simulcast so that participants may view any number of panels from their room if they choose.

*Q. Will any of the networking be held outdoors?*

A. For your comfort, SFNet has arranged with the Encore for contiguous heated outdoor space at the opening reception, networking breaks and joint reception with TMA.
